

# MEET THE FRIENDS OF STEVENS!

Hi there! We are **Friends of Stevens**, a group of parents, teachers & neighbors of Stevens Elementary who want to make our school the best that it can be! Our year started off with a bang when we were able to sponsor 2 FIRST LEGO League teams (thank you Waze Partners for your support!!), and we have partnered with a few neighborhood businesses who are eager to fund our other projects, including goodies for Teacher Appreciation and materials for the STEAM and Design labs! But we still have LOTS to accomplish, and we'd love to have your input as to what you'd like to see from our school or for your student. We also need some parents to help with fundraising & heading up the Teacher Appreciation committee. Please join us for meetings, look for events in Friday Folders, or follow us on our brand-new website, [www.friendsofstevens.org](http://www.friendsofstevens.org). We have big plans for our Eagles!

**WINTER WEATHER REMINDER:** Please remember that CO requires that kids have recess outside if the temperature is above freezing; that means they need to be dressed warmly when they arrive to school. If you need help with winter gear, please remember that the HUB is a great resource for families! See Alex Espinosa in the office for details. Also, if you've noticed your kiddos coming home missing sweatshirts, jackets, gloves, etc, check out the lost & found in the cafeteria; it's only November and that sucker is already overflowing!

## Upcoming Stevens Elementary Need:

*One big thing we are working on right now is taking the school to the Weather and Science Day at Rockies Field. It'll be the first time we have taken the entire school on a field trip and it'll be a great experience for our students. We would like a Stevens t-shirt for all students to wear on that day.*

*TJ McManus, Principal*

**Know someone interested in sponsoring t-shirts for this school-wide field trip?**
